

# Intergenerational Programme

Pinocchio's Children's Nurseries

# What is our Intergenerational Programme?

- Regular visits to local care homes in the community.
- Encouraging different generations to form relationships.
- Children aged 3 months to 12 years old visit the residents

# Benefits of the Intergenerational programme for the older adults

- ▶ Reduces isolation
- ▶ Encourages mobility
- ▶ Opportunities to participate in a range of experiences such as arts and crafts, gardening, singing and reading
- ▶ Enables residents to share their knowledge, experiences and skills
- ▶ Residents can 'feel useful' again when supporting the children during/with activities

# Benefits of the Intergenerational programme for the children.

- ▶ Promotes greater understanding and respect for the older generation
- ▶ Allows children who do not have grandparents to interact with older generation.
- ▶ Develops skills such as patience, confidence and compassion.
- ▶ Develops social skills

# Experiences that take place:

- ▶ Planting/growing

# Music, singing, dancing

# Friendships

# Bubbles

Most of all young and old  
have FUN!!
